

PATTI & RUSTY RUEFF GALLERIES
Vinyl Signage

The Patti and Rusty Rueff Galleries provide each exhibitor with the opportunity of having vinyl signage made for their exhibition.

The following information is needed:

1. Text for the sign; artist's name, title, etc.
2. Font / style of the text. Most fonts available in Adobe Photoshop and Microsoft Word can be duplicated.
3. Size of the text in inches. The size range may be between 1-9 inches.
4. Color of the sign. Black, white and medium gray are always available. Please check in advance for the availability of additional colors.
5. Please note that .ai vector files can also be used to generate vinyl signs.
