Total required for the Linguistics major.....33

\*This language must be different from the language used to satisfy the School Core requirement in OTHER LANGUAGES. If the language used to satisfy the School Core requirement is one of the less-commonly-taught languages listed in Requirement D, then two courses in any other natural language (except English) may be used to satisfy Requirement D. Either language may be, but need not be, the same as the language of the courses in Requirement C.

\*\*Note: No more than one course from any grouping of corresponding LING, ANTH, SLHS, ENGL or FLL courses which are offered together may be counted in a student's program.

See reverse for Additional Information
