

Name....., **A&D 255 Art Video/ DVD Review**

Select only ones that might be useful to our class (educating us about art - is it something that could have been in our text? World art? New art?) from the ones available, hopefully in a particular art area that you are interested in (use the topic you put on your survey earlier in the semester?). Purdue Libraries, West Lafayette library, and Tippecanoe County Public Library all have many to choose from. The point is to try to find things the whole class might enjoy learning about. Don't just go for the super short ones! Be sure to give a timed specific spot to start the 5 minutes, etc. and fill out all the information.
