

Dear Mr. Lawton,

Thank you very much for allowing Brittany [Davis] to spend her summer with us. She was a huge help and will be missed. Brittany is exactly the type of person we would look for when hiring in our video department in fact maybe someday we'll do just that. Her performance on the job was everything we could have hoped for, her attitude was fantastic and we learned much from Brittany in her short stay with us.

We would be happy to work with other interns from Purdue in the future.

Thank you once again; sincerely,

Jim Sterling
