

All Purdue University Faculty Welcome!

SCHOLARSHIP OF ENGAGEMENT AFTERNOON WORKSHOP
FRIDAY, OCTOBER 30, 2009
1:30 TO 3:15 PM
BURTON D. MORGAN CENTER FOR
ENTREPRENEURSHIP, ROOM 121

Attendance for the morning session is required for participation in the afternoon session

Collaboration of College of Liberal Arts, College of Education,
and School of Veterinary Medicine

The purpose of this session is to provide specific feedback to Purdue faculty who are interested in preparing a primary or supporting case for promotion on the basis of the scholarship of engagement. Dr. Eatman will provide general guidance, based on Purdue's promotion guidelines, and small group sessions will enable faculty members to discuss issues related to specific cases with facilitators from the sponsoring colleges. This session is an opportunity for engaged faculty to get individualized assistance in preparing promotion papers that document excellence in the scholarship of engagement.

This workshop follows the morning Scholarship of Engagement workshop sponsored by the Office of Engagement with three keynote speakers, a panel discussion, and lunch. If you have not received information about the morning workshop, please contact Cheryl Butz at cab@purdue.edu or Candiss Vibbert at vibbert@purdue.edu

Agenda:
