

Study Strategies Workshop Request

Student Advisory Board members are outstanding students who have excelled in the ASC's General Studies classes. They are eager to share study tips with your organization or class. Two to three Student Advisory Board members can speak for approximately a half-hour. Popular topics include time management, test taking and reducing stress. Consult our workshop coordinators for further ideas or visit the ASC in BRNG 3268.

Please fill in **all** information.

Name _____ Position _____

Organization/Housing Unit _____
