7:30pm

Thursday, February 12th
7:30pm

The Acting Company transforms Charles Dickens' *Great Expectations* into an effervescent work for the stage in which we follow the adventures of Pip, one of Dickens' most cherished characters.

Brimming with unexpected hilarity and romantic heart, writer **Nikki Massoud**'s adaptation of the timeless novel is uproarious and thrilling, filled with escaped prisoners, wealthy and terrifying eccentrics, decaying mansions, and a stunning young heiress of ruthless intelligence.
