

# WORKSHOP ON PUBLISHING

DR. SALLY SCHOLZ

Sponsored by the Philosophy  
Department's Diversity and Inclusion  
Initiative

This workshop will provide an overview of the publishing process from preparing a manuscript for submission to reading (and responding to) reviewers' reports. We will discuss strategies, practices, and protocols of journal publishing, as well as offer some insight about the more practical elements of balancing teaching and research, writing and service.

**FEB 28 | 3-5PM**  
**BRNG 7150**
