SPRING 2016
REQUIREMENTS FOR INDIANA STATE LEGISLATIVE INTERNSHIP

I. GRADING FOR THE LEGISLATIVE INTERNSHIP COURSES

POL403A (CRN: 25940) Internship—NOTE: ALL Indiana State legislative interns are REQUIRED to take this state legislative internship course that is being taught at the state legislature one night per week during the semester. The grade in this course is assigned by the professor teaching the course for the assignments done in the course. This course is worth 3 hours of credit.

POL590 (CRN: 54744) Legislative Internship: The grade in this course is assigned for the work that you do for your internship. Your supervisor will assign your pass/fail grade in this course. This course is worth 3 hours of pass/fail credit.

COURSES REQUIRED FOR CAPSTONE CREDIT

POL590 (CRN: 54746) Legislative Research AND
POL590 (CRN: 54747) Indiana Legislative Politics and Process

These two courses are taken to satisfy the Capstone Credit requirement and count for 3 hours credit each/6 hours credit in total. The grade in these two courses is assigned for a research paper AND other requirements. I will assign the grade for these two research courses (6 hours of credit)
II. REQUIREMENTS FOR REGULAR AND CAPSTONE INTERNS

A. FOR ALL INTERNS

The first requirement is to attend mandatory the first meeting on Saturday January 23. There will also be OPTIONAL meetings spaced throughout the semester that are designed to help you complete your final paper. The required meeting provides guidance and ideas for your research papers. The discussion is designed to have you meet the other interns and to share ideas about your paper topics that should help you design your questions and your final paper.

B. FOR NON-CAPSTONE LEGISLATIVE INTERNSHIPS

The second requirement is to submit questions on which you will write a research paper. You will first submit 8-10 researchable questions, and then narrow it to 4 questions on which you will write your paper.

The third requirement is to submit your completed paper answering your research questions by the end of the 13th week of school—1-2 pages per question. You will use the narrowed, 4 questions to write your final paper. You will answer each of your research questions based on your observations and experiences in your job at the legislature. You will be required to submit your final paper by email at the end of the 13th week of school.

C. FOR CAPSTONE LEGISLATIVE INTERNS ONLY

The second requirement is to submit questions on which you will write a research paper. You will first submit 8-10 researchable questions, and then narrow those to 3-4 questions on which you will write your paper. You will be expected to find research articles on legislative politics from scholarly journals on which to base your questions and observations.

The third requirement is to submit the first two sections of your paper at the end of the 11th week of school: The first two sections of the paper are at the end of the 11th week of school. I will read and comment on the first two sections of your paper. The two sections that are due are the literature review and an explanation of the questions your research paper will examine, and how you will evaluate the questions being studied.

The final requirement is a research paper that is approximately 3500 words (double-spaced, Arial font, 10 pt. print). The final paper is due at the end of the 13th week of school. You will submit it by email by the due date.
