

Vinyl Signage

The Patti and Rusty Rueff Galleries provide each exhibitor with the opportunity of having vinyl signage made for their exhibition. The following information is needed:

1. Text of the sign (artist's name, title, etc.)
2. Font / style of the text.
3. Size of the text in inches. Consider letter height and overall length. The size range may be between 1-10.5 inches.
4. Color of the sign. Please check in advance for availability of desired color.
5. If you are incorporating a graphic or design please submit as an Illustrator (.ai) file. All text should be converted to curves.

Only file out what is applicable:
