

Fall 2020

Multiculturalism is...  
being able to see  
yourself in the person  
most unlike you.

## WGSS 380

# Gender And Multiculturalism

**M/W/F 1:30-2:45**

WGSS 380 expands students' understanding of gender issues by exploring the multicultural diversity of women's lives. It examines how race, class, sexuality, and culture interact and shape society and ecology in the United States and in a global context.
