

PURDUE STUDENTS STUDY SPANISH BECAUSE...

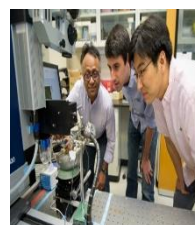

Spanish has a strong presence in the United States, and it is growing everyday. Hispanic population in the U.S. is expected to reach about 106 million by 2050.

Spanish is becoming more important in students' personal and professional lives. As the United States increasingly integrates economically with Latin America, the value for knowledge about Spanish and Spanish-speaking cultures will continue to increase.

Spanish is a practical skill applicable in daily life and any career.
