The College of Liberal Arts Diversity Action Committee is sponsoring the 2012-2013 Diversity Program Grant, available to undergraduate student organizations within the College of Liberal Arts. The purpose of the grant is to encourage students to more actively promote diversity and cultural awareness. Proposals may focus on programs related to any of the populations included in Purdue’s nondiscrimination statement* and, in addition, socioeconomic inequality. This $250 grant is funded by the dean of the college and will subsidize expenses for a diversity awareness program or project.

Only student organizations affiliated with the College of Liberal Arts are eligible to apply for the grant. The student organization program or project must be an on-campus event and open to the Purdue community. The program or project goals must be completed within the 2012-2013 academic year. Eligible projects or events include, but are not limited to: guest speakers; cultural awareness events; and artistic displays or shows.
