8. Current Research Interests

Book on "Gender and Japanese Politics: Women Legislators, 1946-1974." This manuscript shows how political women were constructed in modern Japan from 1946 to 1974. A Fulbright Fellowship in Japan for January to June 2008 allowed me to finish drafts of the major chapters. Trips to Japan in 2009, 2010, and 2011 allowed me to obtain supplementary material. I have expressions of interest in the manuscript from the University of Hawaii Press, University of California Press, and the Harvard University Asia Center Publications Program. During my fall sabbatical I will submit the manuscript.

Book on "Japanese Women and American Colleges, 1878-1941."

Article on women's education in the Meiji era (1868-1912), based on women's memoirs.
