The CLA Diversity Action Committee requests your input!

- Have you experienced challenges to your mental health but felt unsure where to find resources, or felt the resources don’t meet your needs?
- If you are a member of a diverse or underrepresented population, are there ways the College of Liberal Arts or Purdue can better support students seeking mental health services?

Help us identify disparities and needs. Come learn more, and share your input at the town hall discussion.

(Questions can be submitted vocally or by text.)
