

IDEAS FESTIVAL

WE COULD IMMERSE OURSELVES IN FUTURE TECH

Purdue 2050
CONFERENCE OF THE FUTURE

SEPT. 26-27
Honors College and Residences North

Keynote speakers include:

Alessandro Acquisti
professor of IT and public policy at
Carnegie Mellon University

Dr. Gopal Krishna Chopra
neurosurgeon and
health care executive

Peter Embi
President and CEO,
Regenstrief Institute

Anna Ridler
multimedia artist
and researcher

Experience the conference of the future as Purdue researchers imagine it — as a fully digital and interactive learning and living laboratory — and live our vision of tomorrow's land-grant university. This "uncommon conference" offers an immersive experience with unique, futuristic technology that explores the possibilities of creating the healthy, digital and sustainable local community of tomorrow.

The two-day conference also includes panel discussions, a theater performance, interactive exhibits and student design competitions.

REGISTRATION REQUIRED. Visit purdue.edu/discoverypark/2050 to register. Fees apply.
