About The Campaign For Hoosier Families Summer Internship

The Campaign for Hoosier Families is a statewide bipartisan advocacy team through the Lafayette Urban Ministry. Members of the Campaign for Hoosier Families will be focusing on several bills during this Indiana General Assembly that affect vulnerable members of our society, specifically low income families. This internship will be approximately three hours a week. We would love to have interns who are proficient using social media, such as Twitter, Facebook, and Instagram. Our interns will also have hands on experience with the Indiana General Assembly, where they will write newsletters regarding current bills in Session.
