| 18      | 18     | 120   | *120 semester credits required for Bachelor of Arts degree

With planning students will be able to complete the University Core Curriculum as they are completing the CLA core and major requirements.

Advanced Placement, transfer, or test-out credits will reduce semester loads. Literature and Culture provides online sections for many of these courses, which allows flexibility for students who also hold jobs. With planning students will be able to enroll in experiential learning opportunities along the way, such as study abroad, internships, and research with a professor.
